CUNARD

THE MOST FAMOUS OCEAN LINERS IN THE WORLD™

QUEEN ELIZABETH

OUR GRACIOUS NEW CUNARDER

Autumn 2010 will further enhance Cunard's illustrious reputation for exquisite ocean travel with the arrival of our newest liner, Queen Elizabeth. Recalling the rich heritage of the first Cunarder to bear the name, her elegance both echos that legendary age and enhances her luxurious modern allure.

The harmony of classic and contemporary strikes an elegant chord throughout this magnificent ship. Images and features from her predecessors, Queen Elizabeth and QE2, sit comfortably alongside her modern charm.

Within Queen Elizabeth's sleek lines, the lavishness of eras past meets the thrilling future of ocean travel. Welcome, then, to the next elegant chapter in Cunard history.

QUEEN ELIZABETH

INTRODUCTION

Celebrating a New Golden Age of Ocean Travel

Relive in modern glamour high society events of the 1930s and 1940s as you grace ornate rooms whose rich décor recalls the halcyon days when our first Queen Elizabeth ruled the waves.

Your entrance into this graceful realm is dramatic indeed, as you encounter the curved staircases, geometric patterns and spectacular artwork of the soaring Grand Lobby. Overlooking its stately grandeur is the two-tier Library, a calm haven of warm wood tones bathed in natural reading light and crowned with a fabulous leaded glass ceiling.

Opulent materials, luxuriant furnishings and *art deco* period flourishes create a stirring impression elsewhere on board, as you'll discover in the double height Queens Room. Here, sip afternoon tea beneath ornate cantilevered balconies and specially commissioned stained glass panels or waltz across the intricate wooden dance floor, gloriously illuminated by the magnificent chandelier.
