Queens Grill Restaurant

Our Latest Cunarder

Queen Victoria embraces the most advanced technology and a host of luxurious innovations, but above all she is a true Cunarder, distinguished by her red and black livery and interiors warmly reminiscent of a more gracious era: luxuriant marbles and woods exude elegance; plush carpets, rich fabrics and soft furnishings ensure sumptuous comfort.

As one of the first guests ever to embark, you will encounter the dramatic three-tier Grand Lobby, whose magnificent staircase and eye-catching artwork offer a lavish taste of life aboard. Walk around the ship and you'll see elaborate chandeliers adorn the Queens Room's double height ceiling to enhance its calm grandeur. The Winter Garden is all light and relaxation, very much colonial in tone, with decked floors and leafy foliage – its glass roof even opens to the warm breeze. What a setting for our peerless White Star Service™.

Dining & Accommodation

On Queen Victoria, over two thirds of staterooms have private balconies to catch the sea breeze. Upholding the classic tradition at sea, your choice of accommodation is matched to your dining style.

Queens Grill Experience

QJ, Grand Suite

Queen Victoria takes everything that is so wonderfully indulgent about our Grills Experience and raises it to exalted new heights. Your suite or penthouse ensures your reservation each evening between 7pm and 9pm in the single-seating

Queens Grill Restaurant. Panoramic sea views are merely the tantalising starters for an experience of impeccable taste.

This is the ultimate expression of understated dining excellence, where your waiter guides you through the delicious possibilities and your chef endeavours to fulfil any request. Warmer climes will beckon you out into the adjoining Courtyard for a liberating feast al fresco. For some afternoon rays, step out of the Grills Lounge onto the Grills Terrace. For a deck with a view, head to the Grills Upper Terrace, high on Deck 12. All are exclusively reserved for Grill guests only.

Your welcoming sanctuary totals up to 2,131 square feet of sumptuous elegance, with marble bathrooms, luxurious bathrobes, fresh flowers and concierge service – even a personal butler in the highest categories.

Princess Grill Experience

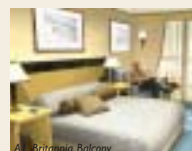

PI-P4, Princess Suite

For guests in our Princess Suites the delights of our Grills Experience are more pronounced than ever before. The leisurely single seating Princess Grill Restaurant is just one enclave of privilege that extends to the refined privacy of the Grills Lounge and a choice of exclusive Grill Terraces.

To step through the luxurious lobby into the unique intimacy of Princess Grill is to embark on a gastronomic itinerary of sheer sophistication. At any time between 7pm and 9pm every evening,

explore gourmet specialities that capture the essence of region after region, complemented by fine wines from the four corners of the globe. Invigorating al fresco dining in the Courtyard certainly accentuates your feeling that this is no ordinary experience. So too your lavish suite, with up to 513 square feet in which to relax completely.

The Britannia Experience

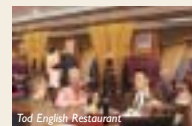

VI, Britannia Balcony

See the world from the comfort of Queen Victoria's Britannia staterooms and splendid nightly occasion of dining in the Britannia Restaurant. In both service and style, this venue pays glorious homage to the opulent salons from ocean travel's golden heyday.

Within this ornate two-tiered setting, choose between two dining times: early at 6.15pm or later at 8.30pm. Pillars and art deco arches add decorative flourishes to a rich culinary experience, complemented by fine wines and convivial conversation.

Alternative Dining

Tod English Restaurant

You're always free to act on the impulses of your taste buds and seek out options ranging from the sublimely creative to the superbly casual.

Todd English: Reservations at this stylish restaurant are your ticket to the fabulously intense flavours and inspiration drawn from around the Med. The Golden Lion: Relax in the cosy traditional surroundings and enjoy food from the hearty gastro pub menu.

Room service is on call at any time of day or night from your suite or stateroom.
