

Arriving in New York on a Transatlantic Crossing is one of life's great travel experiences. The stylish way of traveling per Ocean Liner – connecting the old and the new world – with a fitting air of grace, space and formality across the Atlantic Ocean is something anyone could fall in love with. Queen Mary 2 is a cruise ship that embodies quality, sophistication and decadence. From her Royal appear-

ance to the 14 spacious decks onboard, QM2 commands a certain amount of regal awe. Entertainment, like the opulence of the ship, is also not in short supply. Theatre performances in the Royal Court Theatre, live jazz in the Commodore Club and tuxedo croupiers in the casino can all be found aboard the QM2 cruise ship. Whatever your taste, there is something to entertain everyone aboard this liner.
